

My day at the UCLan and Ri Young Scientist Centre

Did you enjoy your visit?

- Yes No
 Not sure

First
Name:

Age:

- Male
 Female

What was the best part?

What could we do to improve the workshop?

Were the instructions given clear?

- Yes, very clear Fairly clear No, not clear

How has your visit to the lab changed your attitude to science?

- In a very positive way
 In a positive way
 It hasn't changed (I already liked science)
 It hasn't changed (I still don't like science)
 In a negative way
 In a very negative way

Did the workshop today make you feel...

- More interested in studying science
 The same, I already wanted to study science
 The same, I don't want to study science
 Less interested to study science

Would you recommend this visit to other students?

- Yes Not sure No

Please add any other comments:

We have had some ideas for future workshops. Which of these do you think would be best?

- Perfect Plants Green or Sustainable Energy Making Soap The Chemistry of Smell
